magazine present

a luxury Christmas Fair

Christmas only comes once a year so let Tennants & Living magazine help you make it extra special with their spectacular Christmas Fair.

Let the Christmas magic surround and inspire you as you select from the best the region has to offer at this luxury event of the year.

Tennant's fabulous Garden Rooms are, once again, the venue for this year's Winter Wonderland on December 9, 10am to 6pm and December 10, 10am to 4pm, where more than 50 designers and local artisans will be showcasing the very best of seasonal gifts and produce to help you to make this a really memorable Festive season.

A stunning 20-foot Christmas tree will share the entrance hall with the majestic sweeping staircase, and be sure to sample our delectable mince pies on arrival.

The new Cloisters - a wonderful rustic courtyard space with open beams and flagged floors - will host the Festive

Food Court where local producers will be offering a great range of seasonal delights.

Thirsk Birds of Prey will be bringing live birds, and giving everyone the chance to see these magnificent creatures up close.

Don't miss Santa and his Chief Elf in their special North Pole workshop on Saturday December 10, where children can make their own bears to take home in time for Christmas. A separate charge applies and booking is essential.

Why not take time out to try the Christmas menu in the family-friendly café, or treat yourself to a Christmas cocktail in the restaurant?

Look out for further details
